WONDER if the Taft smile could survive a request to decide the Cook-Pearry controversy. —Milwaukee Sentinel.

GOVERNOR M. E. HAY, in introducing the President at Spokane, said:

"We like Taft because Roosevelt liked him."

When the President responded he said:

"Your Governor said you trusted Roosevelt, and that because Roosevelt trusted me you trust me. Now I am glad to accept this method of winning your approval."

In 1896 BILLY BRYAN was howling for free silver and "General" JACOB COXEY was a ragged ruffian marching at the head of his "Coxey's Army" of disreputable bums. Their stock argument was the "cross of gold" business, etc. Now, after thirteen years of Republican Protection-Gold-Standard-Prosperity, Mr. BRYAN has retired from the demagogue rostrum with over a half million dollars, while "General" COXEY has amassed a million and now rides about the country in luxurious palace cars! Could there be a more practical and tangible proof of the utter empty fallibility and impotence of the so-called Democratic theories and principles?

It is now claimed that onions are good for pneumonia. Why not polecats as a cure for appendicitis?

BRYAN says that the new Tariff Law is a fraud. Of course! Any public policy which makes the country prosperous and the election of BRYAN impossible is a fraud in BRYAN's estimation. How could it appear otherwise to BRYAN?—Memphis Reveille.

WILLIAM JENNINGS BRYAN will not appear on the Chautauqua platform next summer. Neither will he deliver any more lectures on Sunday after his 1909 contracts expire. This information came first hand from BRYAN in reply to a letter from the Chautauqua managers inviting the Nebraskan to again visit Bellefontaine, Ohio, next year. BRYAN writes that he has an honestly earned competency and that he proposes to retire next year and enjoy it.—Ex.

SPEAKING for ourselves, we are very tired of both COOK and PEARRY and the whole North Pole episode, since there has been so much bosh, verbiage and such an improvident and unnecessary waste of printers' ink on a scientific matter that should have been treated decently and in order rather than being prostituted to the base uses of money and commercialism. It is always a question of "how much is there in it?" Good Lord, is the North Pole to be sold to the highest bidder?

Dr. Nott's Letter Arouses a Storm of Protest. Sticks Stoutly to a Statement. Offers to Put Up Money to Back His Opinion.

In a recent issue of this paper Dr. Nott, whose fame is a matter of National recognition, stated that there was no cure for baldness. An opinion which is evidently not shared by all, otherwise the existence of numerous concerns that advertise to cure baldness, to put hair on a billiard ball, etc., would be imperiled. What Dr. Nott did state, as reference to the issue containing his statements will corroborate, was that he had never seen in all of the thousands of cases which have passed under his notice, one instance where the disease of baldness had been cured. But he did state as well that he cheerfully admitted that there were remedies that would restore gray hair to the color of youth, and that there were Hair Tonics which would encourage the growth of hair, cure dandruff and the ordinary diseases of the scalp, he referred particularly to Q-Ban Hair Restorer and Q-Ban Hair Tonic. Dr. Nott states that he will give to any charitable institution named \$1,000 on receipt of any authentic proof showing that hair has ever been put on a bald head where the roots were dead. Since his last statement the druggists have in general laid in a supply of Q-Ban Hair Restorer and Tonic. Anyone who wants to win the \$1,000 that the doctor offers may send a letter to Q. B. Dept., Memphis, Tenn. He states, and any druggist will endorse the statement, to the effect if six bottles of Q-Ban Hair Restorer falls in a single instance to change gray hair to a natural color, that if the patient has used six bottles and the result is not as claimed, a letter written to Dr. Nott will bring back the money expended, and that if a six-bottle lot of the tonic don't increase the growth and strength of the hair, cleanse and put the scalp in good condition, money will also be returned. You know your druggist—ask him.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Hensig-Eills Drug Co., Memphis, Tennessee."

\$20 PRIZE

Offered By State Alumni Association
For College Yell and Song

The Alumni Association of State University has offered \$10 for a College yell and the same price for a College song.

State University has no College song and

while it has a number of good yells and its student body can cheer as loud as any body of enthusiastic band of rooters, when the occasion demands, it has no recognized College yell. The appeal is made to former students of State as well as to the friends of the institution and to those who wish to earn the needed plunks.

The only condition the Association is placing that the song or yell sent them be approved by the Committee appointed to make the choice.

Cures Baby's Summer Ills—FREE

The mother should watch her baby very carefully these hot days. If it refuses to play and to eat, if it is peevish and crying, look to the action of its bowels, for there lies the basis of health. Be careful of its diet. The food and water are germ laden. The fruit is too often over-ripe or unripe. If it has any indication of sickness, either in the form of constipation or diarrhea, give it a reliable tonic laxative like DR. CALDWELL'S SYRUP PEPSIN. This remedy is a standard in thousands of American homes for just such purposes. It is a favorite with children because its taste is pleasant, and it never gripes. It is the one remedy best suited to the cure of constipation, indigestion, liver trouble, biliousness, sick headache, summer complaint, etc. It is equally as good for grown people, and we know thousands who no longer use strong salts, purgative waters, tablets, pills and such things, but take the safer, more gentle and pleasanter DR. CALDWELL'S SYRUP PEPSIN. It can be obtained of any druggist at 60 cents or \$1 a large bottle. The entire family can use it, and as these ailments arise suddenly the head of the house should see to it that a bottle of DR. CALDWELL'S SYRUP PEPSIN is always at hand.

Those who have never yet used DR. CALDWELL'S SYRUP PEPSIN and would like to make a test of it before buying in the regular way of their druggist, can obtain a FREE SAMPLE BOTTLE either for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out what it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should send for "SUMMER SUGGESTIONS TO MOTHERS," containing the doctor's advice on diet, hygiene, etc., in hot weather—a very important subject. The address is Dr. W. B. Caldwell, 507 Caldwell Bldg., Monticello, Ill.

A WORTHY MOVE

Winchester Democrat.

"One hundred and fifty-two inmates of the Confederate Home at Pewee Valley have died since the Home was opened, and the inmates now number something over two hundred and fifty. The principal complaint of some of the veterans is that they must leave their wives when they enter the Home. It is said an effort will be made to secure action by the next Legislature so that the veterans can spend their few remaining years with their wives. A few more years and the Confederate soldier will be but a memory and it would not cost much to enable the few men who have wives and must live at the Home to have their wives with them."

SERIOUSLY INJURED

By a C. and O. Freight Engine While Asleep on the Track

Zane C. Flaughner, who lives about three miles back of Aberdeen, met with a serious, if not fatal, accident in this city yesterday noon. While under the influence of liquor he took a seat on the end of a tie on the C. and O. track at the foot of Market street, and, being drowsy, soon fell asleep, and was oblivious to his surroundings and great danger, when West-bound freight train No. 99 came thundering along.

The engineer saw the man and did his best to warn him of his danger by sounding the whistle and ringing the bell of the engine, but without avail, Flaughner being struck and knocked some distance.

He was picked up and carried to the St. Charles Hotel, where he was attended by the Company's Surgeon, Dr. A. O. Taylor. Flaughner sustained three broken ribs, scalp wounds and probably internal injuries. His brother, Omar Flaughner, arrived last evening and had the injured man removed to Wilson Hospital, where he can be properly treated.

Gage marks 4.2 and falling.

The proposed new Dam to be built in the Ohio river, to be known as No. 25, will be located near the mouth of the Little Kanawha.

Rival propositions to carry the mails from Chicago to Seattle in fifty-six hours have been submitted to the Postoffice Department by the Great Northern Railway Company and by the Chicago, Milwaukee and St. Paul Railroad. Such an accomplishment as is proposed would clip sixteen hours off the present schedule for the 2,200 miles. The contract is worth \$7,000,000.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; numerous cases out of two are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

50% OF THE POPULATION OF THE U. S. live in rural districts remote from physicians or drugstores, and they are obliged to depend upon proprietary medicines to a very great extent. To the women in these homes such standard remedies as Lydia E. Pinkham's Vegetable Compound come as a boon and a blessing. Records show that it has cured more women of those dread feminine ills than any other remedy.

A HELPING HAND.

Is Gladly Extended By a Maysville Citizen.

There are many enthusiastic citizens in Maysville prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. John E. Burns of Maysville, Ky. says: "I value Doan's Kidney Pills just as highly today as when I gave a statement in their favor some years ago. I was subject to frequent attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any serious attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
